Subject: Bonita Peak ATP Call: Topics

Hi Mike,

Thanks for setting up the call today. We will have Suzanne Pyatt, Mark Torchiana, and me calling in.

Here are several topics Suzanne would like to cover today:

- **Background Information**
 - (Mike: Suzanne has a very cursory understanding of Todd Hennis' involvement with the Site. Would you like to talk generally on Hennis' history at the Site, and any recent developments that may help our financial experts?)
- **Planned Approach for ATP Analysis**
- **Initial EPA software model results**
- **Additional Information to Request for Hennis**

Suzanne Pyatt has over 16 years of experience in environmental law, and is our environmental law and financial / ATP specialist. She is extremely talented, diligent and a pleasure to work with. I look forward to our call. If you need anything from me before our call, please let me know.

Thanks, Mike

Darren
